FINE CYMBIDIUMS

Exhibition &

Stud Varieties

Our stock of top quality Cymbidiums is well known to those who have visited the Nursery, and many fine exhibition and stud varieties are available for the discriminating Orchid fancier, and for the hybridizer. Among these are varieties which have won the highest awards wherever fine orchids have been exhibited, and whose progeny are setting new standards and winning new honors today.

Many of these world famous plants can be seen in bloom during the flowering season and you are cordially invited to visit the Nursery when in our vicinity.
